Dear Member:

The holidays are over and with the New Year it is time to renew your LOMA Society of Ohio membership.

Thanks for your continued membership with the LOMA Society of Ohio. We value the continued dedication and involvement of our members. We hope you had a chance to attend some (or all) of our business luncheons held last year. The attendance we experienced in our meetings was some of the largest we've seen in recent years. We hope to continue our momentum in 2012.

We hope your membership experience in 2011 proved to be fulfilling in your quest for continuous education and professional development. As you probably already have experienced, the Society offers you the opportunity to connect with industry leaders and insurance professionals throughout the state. The LOMA Society of Ohio also continues to give back to the community through its charitable work and scholarship programs.

You can find more information about the Society's educational topics, past activities, current membership and more on the Society's website: <http://www.lomasociety-ohio.org/>. The Membership application can be completed online under the "How To Join" tab of our website. Thanks for your involvement in the LOMA Society and we look forward to seeing you at an upcoming event in 2012.

Best Regards,

Joanie
