Dear Ms. Brocker,

Thank you for your \$306.00 donation of 11/25/2008 to Mid-Ohio Foodbank collected at your Fall meeting. We are grateful for your help feeding hungry people in our communities.

Your help couldn't have come at a better time. Times are really tough for many families right now. We're helping record numbers of folks this winter - many of them are first time visitors to a pantry or soup kitchen. Your generosity provides comfort to those in need and ensures that they don't have to do without wholesome, filling meals while struggling to make ends meet.

I can't thank you enough for your support.

Sincerely,

Matt Habash
President & CEO
